MEDIA INFORMATION

The Tiger Football Media Guide was prepared by the Fort Hays State Sports Information Office to assist the news media in its coverage of FHSU football. Requests for additional information, feature materials and photographs, will be readily granted. Please contact Steve Webster, Sports Information Director, for your specific requests.

CREDENTIALS: Requests for credentials for Fort Hays State home games should be made at least one week prior to the game. Credentials will be limited to working press, radio, television and visiting information directors, and may be obtained through the FHSU Sports Information Office.

INTERVIEWS: All requests for interviews with players and coaches must be channeled through the Sports Information Office. Postgame interviews with Head Coach Tim O'Connor can be conducted following a 10 minute cooling off period outside the Tiger locker room. Player contact can be arranged after the game outside the locker room.

GAME SERVICES: Programs and the latest statistical information will be available in the press box prior to all contests. Halftime statistics, play-by-play, and statistical booklets will be distributed to the media during halftime and approximately 20 minutes after each game.

Fort Hays State University

THE CAMPUS

Founded in 1902 on the plains of western Kansas, Fort Hays State University is the second youngest of the state's six universities. An ongoing five-year series of Centennial activities will culminate in the year 2002.

From a humble but exciting beginning, when just two faculty members and a 19-course curriculum greeted 34 students, our university has grown to a faculty of nearly 300, a support staff of 250 and a student body of 5,600. The university now offers hundreds of courses in each of its four main colleges — Education, Arts and Sciences, Business and Leadership, and Health and Life Sciences — and the Graduate School. The FHSU Virtual College provides many of the courses through various media to sites across Kansas and beyond.

FHSU is governed by a Board of Regents appointed by the governor of the state of Kansas.

FHSU is located in Hays, the largest city in northwest Kansas. Hays began as a wild frontier town and has grown into a progressive community of about 20,000 people. The old and new blend beautifully to form a city that is small enough to be comfortable yet large enough to provide abundant cultural, commercial and entertainment opportunities. In 1996, Hays was recognized as an All-America City.

The university sits on a campus of 4,160 acres of land that once was part of the historic Fort Hays frontier military post, and it recently expanded to include the relocated Sternberg

Museum of Natural History on a site adjacent to Interstate 70 in northeast Hays. Big Creek, with its shady, grassy banks, meanders through the main campus, providing a tranquil learning atmosphere and serving as a natural laboratory for students in the biological sciences. With its stately limestone buildings and profuse flowers, trees and shrubs, our campus has often been called the prettiest in Kansas.

FHSU is academically superior to many comparable universities, offers students an electronic learning and living environment, and is richly endowed by heritage and tradition. Students come to our university for a multitude of reasons, but surveys show that their overwhelming reason is "the university's reputation for academic excellence and its caring faculty."

The university supports one of the most extensive and successful intercollegiate sports programs of any comparably sized college or university in America, boasting numerous All-America athletes and national championships. More than 350 athletes compete annually in eight men's and seven women's sports. FHSU is a member of the Rocky Mountain Athletic Conference, which comprises 14 schools from the states of Kansas, Colorado, Nebraska and New Mexico.

The university also serves as the cultural center of western Kansas, featuring fine arts exhibitions, performing arts presentations by faculty, students and traveling professional troupes, and a Presidential Lecture Series.

THE ADMINISTRATION

Dr. Edward H. Hammond is the eighth President of Fort Hays State University. A man of boundless enthusiasm and energy, whose style is upbeat and progressive, Dr. Hammond was born in McAllen, Texas, but reared in the Kansas City area.

Dr. Edward H. Hammond
President

Prior to his current post, President Hammond gained educational experiences and shared his expertise at the universities of Louisville, Seton Hall, Southern Illinois, Purdue, and Missouri-Columbia. The President holds bachelor's and master's degrees from Emporia State University and the Ph.D. from the University of Missouri-Columbia.

President Hammond has been extremely active since assuming the leadership of the university in the summer of 1987. He laid the groundwork for a cooperative educational initiative between FHSU and the community colleges in western Kansas; has watched his dream to totally computerize the campus become a reality; created an organization comprised of business and community leaders from 54 western Kansas counties and helped to establish scholarship programs for potential minority school teachers at Garden City and Liberal.

Dr. Hammond has played a major role in furthering economic development in Hays and western Kansas and introduced a voice mail system that vaulted the foreign language efforts of FHSU into an elite class. He prompted the completion of the Beach/Schmidt Performing Arts Center for the cultural development of the area and launched the expansion of Sternberg Museum to its new location on Interstate 70. He obtained federal and state funding for the university's new \$12 million science building and completed a \$20 million Capital Campaign to raise private monies for the enhancement of many university programs.

President Hammond has published widely and is in demand nationally as an educational consultant because of his expertise in risk management, staff and institutional liability, sexual harassment, and alcohol education issues.

The Hammond family includes wife Viv (Hammeke), formerly of Ellinwood, daughters Kelly and Julie, and son Lance.

Tom Spicer was named director of athletics at Fort Hays State University on July 27, 1989.

Tom Spicer
Director of Athletics

Spicer begins his thirteenth year as director of athletics and has emphasized a return to athletic and academic excellence.

A native of Beaver, Oklahoma, Spicer attended secondary schools in Hays. He is a graduate of Hays High School and earned a bachelor of science degree from Fort Hays State University in 1972. He played varsity football for the Tigers during his collegiate days. Spicer also received his master of science degree from FHSU in 1977.

Spicer is largely responsible for the improvements that were made to Lewis Field Stadium. Through his continued efforts the 1936 stadium was renovated with new synthetic surfaces on both the football field and track. The native limestone structure was sandblasted to its original color. A new two-story press box on the west side of the stadium is a welcome addition to stadium. Spicer's fund-raising efforts have led to improved financial support of the Tiger athletic programs, allowing student athletes the opportunity to attend FHSU.

Prior to making the move back to FHSU Spicer was the director of athletics and dean of student affairs at Butler County Community College. He also has experience as director of athletics, physical education instructor, head football coach and track coach for the Durant, Oklahoma, School District.

Previous to his work in Oklahoma, he taught and coached at Salina South High School, at Bishop Miege High School in Shawnee Mission and at Schlagle High School in Kansas City, Kansas.

Spicer is married to the former Kathy McGovern of Denver, Colorado. She received a bachelor of arts degree in sociology from Fort Hays State in 1972. The Spicers have four children: Matt, Amber, Kristen and Allison.

Fort Hays State University LEWIS FIELD STADIUM

Lewis Field Stadium, the 6,362-seat home of the Tigers, received a major facelift prior to the 1993 season. The native limestone structure was refurbished to its natural state when 57 years of weathering was sandblasted away.

The grass football field and cinder track were replaced with state-of-the-art artificial surfaces.

The new football field is STADIA-Turf, an artificial playing surface. The green turf lies upon a rubber surface and beneath it is a layer of crushed rock which allows for maximum drainage. Both end zones are gold with black lettering spelling out Fort Hays in the north and Tigers in the south.

The new 8-lane rubber and polyurethane track was named the Alex Francis track, to honor the former Tiger track & field coach. The majority of the field events are conducted outside the north wall.

Prior to the start of the 1996 season the seating was replaced throughout the stadium. The new seats include 1,000 chairback seats on the west side and new bench seating in the remainder of the stadium.

Lewis Field was constructed in 1936 on what was formerly the Golden Belt Fairgrounds, and was named in honor of William Alexander Lewis, president of Fort Hays State University from 1913 to 1933.

The field is located beside a spacious tree-

lined drive and is just a short walk from the campus residence halls and the downtown business district.

Dressing rooms, concession areas, athletic training facilities, restrooms and equipment storage rooms are located under the grandstands. An overhaul of the Tiger locker room was completed just before fall practices in 1990 with a synthetic floor, a false ceiling and new paint providing an entirely different atmosphere. A new stereo system was also installed.

Admittance to the stadium is allowed through two main gates, one on the east side and one on the west side. Four ticket windows are in service for each game.

Outside the limestone wall to the southeast are two football practice fields.

The most recent addition to Lewis Field Stadium is the new 2,800 square-foot Hubbard press box which sits atop the west side of the

stadium. The press box is named in honor of R.D. and Joan Dale Hubbard of Palm Desert, Calif. who provided the majority of the funding.

The upper level of the two-story press box features a large area in which 20 or more electronic media personnel can report on college athletic contests. Available for reporters are radio and television booths, hookups, a camera deck, a filming room and a restroom. Booths are also available for both home and visiting football coaches for scouting. The second floor also houses scoreboard, public address and statistical crews.

The lower level of the facility is the hospitality area where President and Mrs. Edward H. Hammond host university guests. Inside the University Suite are tables and chairs for 40 guests, a small kitchen and a restroom.

The entire press box is heated and air

conditioned and has an integrated sound system whereby users may listen to radio broadcasts, view televised games and pick up crowd noise from outside the box.

An elevator will carry university guests, media personnel and people with disabilities from ground level to their destinations. Areas

designed especially for the disabled are located at the top of the stadium both north and south of the first level of the press box.

Prior to the 1999 season, the press box on the east side of the stadium was renovated

creating two executive suites. The two suites may be rented by individuals or businesses for entertaining during Tiger football games.

FIELD STRENGTH FACILITY

The Earl and Winona Field Strength Facility is located in 6,814 seat Gross Memorial Coliseum. As a result of the generous contributions of the Field's the room was expanded to include new state of the art weight and workout equipment. The room is 4,600 square feet and is used by all of FHSU's 400 athletes.

TIM O'CONNOR, HEAD COACH

Tim O'Connor enters his first season as head coach of the Fort Hays State University Football program after taking over the reigns on December 12, 2000.

O'Connor has served on the FHSU coaching staff for the past nine seasons. For the past four seasons, he has served as the defensive coordinator for the Tigers. Prior to that O'Connor spent five years as the linebacker coach, the first two years as graduate assistant.

During O'Connor's nine seasons with the Tiger program, FHSU has accumulated a record of 52-44-3.

As a member of the Boise State University football squad, O'Connor was named to the Big Sky Conference second team. He played on the Bronco team that was a semi-finalist in the 1AA football playoffs in 1990. He graduated from BSU in 1992 with a bachelor's degree in physical education. He completed work on his master's degree in physical education at FHSU in 1994.

O'Connor is married to the former Tara Arensdorf of Hays. They have two sons-Daniel and Adam.

Fort Hays State University

Q&A WITH TIM O'CONNOR

You have said you want to make the players in your program tougher. What does tough mean to you?

"Toughness means a lot of different things. To me it means doing tough things and doing things right. The easiest thing to do is to do it mediocre. The hardest thing is to do it right. It's a fairly simple concept. Toughness is discipline and discipline is toughness".

You began your coaching career at FHSU under Bob Cortese. How much are you like him and in what ways are you different?

"I'm not trying to be like Bob Cortese. I'm trying to be Tim O'Connor and that's who I feel I am. But there are some coaching philosophies that he taught me that I know are proven that I agree with and I will do".

Where do you want this program to be three years from now?

"I want it to be consistently at the top of the RMAC and I want to return this program to the NCAA playoffs. I think that is very achievable. Every year when the preseason coaches' poll comes out I would like to see Fort Hays State in the top one or two every year. That consistency that I want to see in the next three to four years will only come through what I feel is a true recipe for success. A good solid nucleus of high school players every year while drop-

ping in junior college players where we need them".

What kind of player are you looking to recruit?

"Very simply put, I want football players. Sure, we want certain sizes, certain heights, guys who can run but you are not always going to get that at this level. But if my staff can get players who just love to play football and have some potential to grow and improve along with being solid individuals, we'll find a place for them to play".

Win or lose, what do you want Tiger fans to think when they leave the stadium?

"The impression I want them to leave with is that this program is organized. That's how you build confidence in your players, fans and coaches. If you are organized, people have confidence in you".

Fort Hays State University

Q&A WITH TIM O'CONNOR

Now let's talk about this year's team. What do you see as the strength of your offense entering the season?

"I think our first strength will be in the backfield at our quarterback position. The addition of Dustin Demel has actually helped Jason Brown. It has made him even more competitive. Dustin is a tremendous athlete who is a multipurpose guy who can return punts, he can play quarterback or he can play wide receiver. We're lucky to have him in our program. Perris Verduzco is another kid who has a chance to be a great player in this program".

What about your running backs?

"There are several players who will vie for the starting job including Vinnie Walker and Derek Wright, two players who saw a lot of time for us last year. But keep an eye on Jason Broom, a transfer from Northeastern Oklahoma State and redshirt freshman Mike Gray. Mike is a hardnosed kid who seemed to pop at least one long run in every practice last year. Moving Shawn Smith to fullback should give us stability at that position.

And your receivers?

"You'll definitely hear some different names at the wide receiver spot. Andre Freeman and Ben Gray will not be back but we feel we have recruited some players and already have some guys in our program that are ready to step up. Guys like Beau Rebel should get the chance to shine. At tight end, I'm really excited to have Brendon Pishny back. He's a great

blocker and we want to give him more opportunities this year to catch the ball".

What are your thoughts on the defensive line?

"The right side is very solid with Pat Corcoran at tackle and Tyler Strong at the guard spot. Kyle Johnson is coming off an all-conference season. There will be plenty of competition for the other spots but we feel very good about our depth at this point".

Overall, what do you think about your defense?

"We will certainly miss guys like James Morton and Mike Sanders who graduated last year but I really feel if everyone comes back and is healthy, we could be pretty good. The defensive line especially looks good with players like Jerry Samuels, Casey Seyfert and Mike Sears inside. At the ends we have Jason Dechant and Dustin Herrs at the rush end positions who are both good football players. On the other side we have what might be our best all around defensive lineman in Jason Pietrzyk".

You lost some experience at line-backer. Have you been able to fill those spots?

"Even though we lost some players from a year ago we feel there is a lot of depth at that position again this season. Tony Crough had a great freshman season and will be backed up by another good football player in Brett Hutchinson. E.J. Ochs and Jerry Sprewell will really battle it out for the

Fort Hays State University

Q&A WITH TIM O'CONNOR

middle linebacker position and we have another good battle at the WILL backer position between Shane Ohlde and Michael Ballou. It's kind of nice to have that kind of competition at each spot".

What about the secondary?

"We'll have all new cornerbacks this season but we recruited some transfer players and one high school player who we feel good about. The high school player is JaCory Marshall from Copperas Cove, Texas, who can really run and isn't afraid to hit you. The transfers are guys like Randy Bravo, Russell Redeaux and Warren Honeywood, guys who can play but lack D-II experience. Our safety spots should be another strength with good competition at both the free and strong spots. Jace Pavlovich and Jason Sykes should really battle for the strong safety spot while Marc Henry will get a challenge from Brent Riedy at the free safety position"

You have also placed a lot of emphasis on special teams. Is that an area you want to improve on?

"Our special teams have been O.K. over the past three years but we certainly want to make them better. We plan to spend a lot of time in this area in the pre-season. Losing an All-American punter in Adam Ryan never helps but hopefully we can be solid in that spot and getting another year out of Wes Simoneau at kicker is a good development.

FHSU
Tigers

What area do you need to improve in the most to return to the top of the RMAC standings?

"For our team to be successful we have to be in the plus category on turnovers. That means the offense can't turn it over and the defense needs to take it away more. Interceptions happen but fumbling the ball is an attitude. You have got to have the attitude that you are not going to give up the ball. If they do, they won't play. Until we can get into the plus category, we are mediocre at best. That's the reason we lost games. Sure we gave up some touchdowns late defensively but it's also due to the fact that we turned it over 29 times. You take out 10 turnovers and we're even on the season and in a lot better shape than we were last year."

What about the RMAC race?

"The number one team in my eye is Chadron State. They've got a ton of kids back along with their quarterback and they have a favorable conference schedule in terms of playing their tougher games at home. I think Kearney will also be good even though they lost Justin Coleman at quarterback. Mesa will be there after winning the conference and winning a playoff game last season. We hope to be there too.

ASSISTANT COACHES

Bryan Maring returns for his second season as the Tigers' offensive coordinator. The former FHSU quarterback was the head football coach

Offensive Coordinator

Bryan Maring

at Ellinwood High School, Ellinwood, Kan., the previous two seasons. Prior to coaching at EHS he spent three seasons at Rocky Mountain Athletic Conference foe Mesa State College as the Mavericks backfield coach and coordinator of offensive game plans. His coaching experience also includes one year as the offensive coordinator at Fort Scott Community College, Fort Scott, Kan.

The Salina, Kan., native spent one year as a student assistant and two years as a graduate assistant at FHSU under then Tiger head football coach Bob Cortese following his playing days. As a FHSU graduate assistant he coached the Tiger quarterbacks, receivers and running backs in addition to assisting in the development of the FHSU offensive game plan.

Playing quarterback for the Black & Gold he guided the Tigers to the school's first National Association of Intercollegiate Athletics playoff appearance in 1991. He also played two seasons at Butler County Community College, El Dorado, Kan. prior to transferring to FHSU.

He received a bachelor's degree from FHSU in 1992 and a master's degree in physical education from FHSU in 1994. Bryan is married to the former Terri Dreiling of Victoria, Kan. They have a daughter Madison age six.

Jeff Walker enters his fourth season as a member of the FHSU coaching staff. Walker becomes the defensive coordinator this season after spending the previous three years as secondary coach.

Defensive Coordinator

Jeff Walker

Walker began his coaching career at the University of Wisconsin-Whitewater as a student assistant coaching the defensive line and running backs. He coached at Concordia University (Wis.) from 1992-93 as the defensive line coach his first season and secondary coach the next year.

The Madison, Wis., native spent the 1994 and 1995 seasons coaching the secondary at Kansas Wesleyan University. He returned to Concordia University for the 1996 and 1997 seasons to coach the Falcons' defensive

line.

He received a bachelor's degree in physical education from the University of Wisconsin-Whitewater in 1991 and a master's degree in student personnel administration from Concordia University in 1994. Walker just completed work on a second master's degree at UWW in health curriculum instruction/physical education in 1999.

Jeff is married to the former Dawn Cochran of Collinsville, Ill. They have a son Tyler age three and a daughter Keri, eight months.

Jeremy Hawks enters his third season as a member of the FHSU football coaching staff.

Defensive Line

Jeremy Hawks

Hawks will coach the defensive line in 2001 and also serve as the strength coordinator. He began his coaching career as a student assistant with the track & field squad in 1999. He spent the 1999 football season as the tight ends coach and last year as the defensive line coach.

Collegiately he competed in football and track for the Tigers. He played on both of FHSU's NCAA II playoff teams in 1993 and 1995. The defensive tackle earned first team All-RMAC honors as a sophomore and senior. His junior year he was named to the RMAC second team. As a

member of the Black & Gold Track team he earned All-America honors six times competing in the shot put, discus and hammer throw. In four years competing at the RMAC indoor and outdoor track championships he earned All-RMAC honors 14 times including eight RMAC titles while establishing a new conference record in the indoor shot put twice. Hawks was twice honored as the RMAC's Most Valuable Track Athlete.

The Norton, Kan. product received a bachelor's degree from FHSU in mathematics and secondary education in 1998. He completed work on a master's degree in sports administration at FHSU last spring.

Fort Hays State University

ASSISTANT COACHES

Defensive Backs

Christopher Krich

Christopher Krich begins his first season with the Tiger football squad. The Cambria, Calif., native began coaching at FHSU in the spring of 2001 as a graduate assistant. Krich will serve as the defensive backs coach after spending the last three seasons with Millikin University in Decatur, Ill.

While with the Big Blue, Krich coached the wide receivers his first two seasons and the defensive backs during the 2000 campaign. At Millikin University, Krich was a part of two CCIW championship teams.

Krich was a four-year letterwinner at free safety for the Mesa State College football program being named to the All-RMAC honorable mention squad his senior year.

He received a bachelor's degree in human performance and wellness from MSC in 1998 and is currently working on a master's degree in health at FHSU.

Tight Ends

Steve Gleason

Steve Gleason returns for his second year on the FHSU coaching staff. Gleason will work mainly with the tight ends during the upcoming season. He was an assistant football coach at Butler County Community College prior to coming to FHSU.

Collegiately he played at Garden City Community College, Kansas State and Missouri Western. While at GCCC he earned all-conference honors twice and was an academic All-America selection. Playing for Missouri Western he was twice named to the Mid-America Intercollegiate Athletics Association academic team. After his senior year at MWSU he participated in the NFL combine and spent two seasons playing in the Arena Football

League II.

The Valley Center, Kan., native received a bachelor's degree in physical education from MWSU in 1999 and is working on a master's degree at FHSU.

Offensive Line

Lenny Doerfler

Lenny Doerfler will coach the offensive line in his first season with the Tiger football program.

The Bend, Oreg., native was the offensive line coach at Valley City State University. During the 2000 campaign, VCSU advanced to the NAIA national playoffs after winning their conference championship. Prior to that, Doerfler was the graduate assistant offensive line coach at Western Oregon University from 1997-98. WOU won a conference championship in route to a national playoff appearance in 1997.

Doerfler completed a bachelor's degree in health education in 1998 from Western Oregon University and will complete a master's degree in education in the spring from Western Oregon University.

Offensive Line

Ryan Walter

Ryan Walter begins his first season with the Tiger football program. Walter will help coach the offensive line during the 2001 season.

Prior to coming to FHSU, Walter was the defensive assistant for two seasons at Southwest State University, Minn., and the offensive line coach at Mount Sonario College in Ladysmith, Wis., this past year. He earned all-region honors at North Iowa Community College and then went to Southwest State University where he earned first team honors in the Northern Sun Intercollegiate Conference.

Walter earned a bachelor's degree in sports management from SWSU in 1999.

Fort Hays State University

ASSISTANT COACHES

Mike Norris is entering his fifth season as an assistant with the Tiger football program. He will work with the running backs again this season after coaching tight ends in 1997 and the defensive line in 1996.

Running Backs

Mike Norris

As an offensive lineman playing for the Tigers in 1980 he was named to the District 10 and CSIC first team. His senior year he was a second team CSIC selection. Prior to playing for FHSU he played two seasons for El Camino Community College. Following his collegiate days he played two years of semi-pro football for the Norwalk Outlaws.

Norris completed work on a bachelor's degree in recreation and sports management at FHSU in May and is completing work on a master's degree in Sports Administration. He is married to the former Sonya Williams of Carson, Calif. They have two children, Malcolm(9) and Sangai(8).

Levi Kramer begins his first season with the Tiger football program. Kramer spent the 2001 spring season as a graduate assistant. He will work primarily with the wide receivers during the 2001 season.

Wide Receivers

Levi Kramer

Prior to coming to FHSU Kramer spent two seasons at Kansas Wesleyan University. He was the running backs coach in 1998 and worked as the quarterback coach during the 1999 season. Kramer played for KWU for three seasons spending the final two as the starting quarterback for the Coyotes. He was a letterwinner as a freshman playing strong safety for Huron University, S.D., in 1994.

Kramer earned a bachelor's degree in history/secondary education from KWU in 1999 and is currently working on a master's degree in physical education at FHSU.

RMAC STUDENT-ATHLETES

To be eligible for the RMAC Academic Award honor, a candidate must have a cumulative grade point average of 3.20 or better; must have participated at the institution for two or more semesters in at least one sport; must have earned at least one letter; must be a starter or key reserve and must be of good character.

Each year, the most outstanding scholar-athlete (male and female) of each institution receives the Rocky Mountain Athletic Conference Honor Student-Athlete award. This award is the highest achievement for a student-athlete in the conference. The same guidelines follow as the scholar athletes, with the exception the athlete must have participated for at least two seasons.

A LOOK BACK AT 2000

FORT HAYS STATE 16, EMPORIA STATE 10

Emporia, Kan. (Aug. 31) After fumbling the opening kickoff, it looked as if FHSU was destined to repeat the 1999 season when the Tigers lost to Emporia State. The Hornets scored an early touchdown and led 7-0 one minute into the game.

The Tigers came roaring back with two first quarter touchdowns and an Adam Ryan field goal to take a 16-7 lead into the locker room at halftime.

The only scoring in the second half was a 36-yard field goal by ESU in the fourth quarter to put the Hornets to within six points. ESU had control of the football for only 23:43 as the Tigers won the opener against their intrastate rivals for the first time since 1996.

FORT HAYS STATE 23, MISSOURI WESTERN 15

Hays, Kan. (Sept. 9) The story of the game for the second consecutive week was the FHSU defense. This time the Tiger defense put 13 points on the board as Jace Pavlovich returned an interception 75 yards for the score and Courtney Jackson picked up a Griffon fumble for a 71-yard touchdown.

Trailing 10-0 coming out of halftime, MWSC scored its first points on a 66-yard drive early in the third quarter to make it 10-7 FHSU. The Tigers came back to notch an equally impressive drive going 93 yards in 15 plays ending in a Vinny Walker five-yard touchdown run. Each team scored once more to make the final 23-15 in favor of FHSU.

In addition to scoring 13 points, the Tiger defense allowed the Griffons only 44 yards on 39 carries. FHSU also forced three fumbles recovering two of them and intercepting Griffon quarterback Kasey Waterman twice in the game.

Alamosa, Colo. (Sept. 16) After defeating the Grizzlies 11 straight times from 1983 to 1998, the Tigers lost to ASC for only the second time in school history in 1999. Unfortunately, the 2000 game did not prove to be much different. Coming into the game with a 2-0 record for the first time since 1996, FHSU lost a heartbreaker to the Grizzlies 35-28 in Alamosa, Colo.

The Tiger defense did its job by allowing only 43 yards rushing on 27 attempts and scoring a touchdown but it was not enough. FHSU fumbled the ball twice and threw two more interceptions on the way to their first loss of the 2000 season.

The Tigers led the Grizzlies after one quarter and trailed by only three going into the locker room at halftime. FHSU took a seven-point lead midway into the third quarter, but a Grizzlie field goal and touchdown put ASC up by seven for good.

FORT HAYS STATE 27, COLORADO MINES 6

Golden, Colo. (Sept. 23) FHSU had to deal with rain and snow while looking to defeat the Orediggers for the 11th straight time.

The Tigers scored first on a Jason Brown to Rashaad Reed 23-yard touchdown pass. CSM scored next to even the score 6-6 midway through the second quarter. Thane Van Eaton scored the first touchdown of his career on a 34-yard carry to give the Tigers a 13-6 lead going into halftime.

Two more Jason Brown touchdown passes--one to Fred Shepherd and the other to Rashaad Reed--pushed the score to 27-6.

The Tiger defense had their best effort of the season while holding the Orediggers to a mere 15 yards on 28 rushes for an average of just over half a yard per rushing attempt.

FORT HAYS STATE 53, FORT LEWIS 29

Hays, Kan. (Sept. 30) FHSU improved their record to 4-1 after scoring 53 points versus the Skyhawks and erasing the memory of a 26-6 loss in Durango last season.

Jason Brown tied a school record by throwing five touchdown passes in the game. Errol Bowen added 181 yards rushing on 23 attempts as the Tigers were all offense on this day.

Following a recent pattern, the Tiger defense allowed only 10 yards on 25 rushing attempts but gave up 282 yards in the air and four Skyhawk touchdown passes.

MESA STATE 31, FORT HAYS STATE 28

Hays, Kan. (Oct. 14) Trailing 24-21 with only 3:28 to play in the game, FHSU defensive tackle James Morton blocked a Maverick field goal attempt to give the Tigers the ball and one last chance to salvage a victory.

FHSU used a 79-yard drive which included a converted fourth-and-nine play to score on a Jason Brown to Ben Gray 29-yard touchdown pass. Leading 28-24, the Tiger defense needed only to stop MSC for 1:06.

NEBRASKA-KEARNEY 28, FORT HAYS STATE 15

Kearney, Neb. (Oct. 21) Four costly interceptions led to the 28-15 Loper victory. The Tiger defense did its best to stop a potent UNK offense by allowing the Lopers only 41 yards rushing on 30 attempts and 152 yards through the air. The Lopers still managed to score four touchdowns, two rushing, one passing and one from an interception return.

FHSU took the early lead with an Adam Ryan 38-yard field goal. UNK then scored 28 unanswered points to take the 28-3 lead going into the fourth quarter. The Tigers managed to score two more touchdowns but ran out of time as the Lopers won their fifth straight over FHSU.

Gunnison, Colo. (Oct. 28) It was a case of deja vu for FHSU. Leading 17-15 with 1:34 left in the game, the Tigers thought that they had won their fifth game of the season. The Mountaineers had other plans as they scored on a 24-yard touchdown pass with only 44 seconds to play.

Jason Brown threw two touchdown passes in the game but also suffered two interceptions. Wideout Beau Rebel had a career game catching six passes for 83 yards and a score.

The Tigers fell to 4-4 on the season and 2-4 in the RMAC after losing their third straight game.

FORT HAYS STATE 10, NM HIGHLANDS 9

Hays, Kan.(Nov. 4) After losing to the Cowboys the last four years by a combined score of 132-80, the Tigers expected to see a high-scoring game in 2000. The outcome proved to be much different as FHSU outlasted the Cowboys 10-9.

NMHU kicker Justin Levine kicked three field goals and scored all of the Cowboys points in the game. FHSU retaliated by notching an Adam Ryan 29-yard field goal and an Errol Bowen 5-yard touchdown run.

Levine had a chance to score once more, but his 42-yard attempt with six seconds on the clock was blocked by FHSU defensive tackle James Morton. The blocked field goal preserved the victory and ensured that the Tigers would finish at least .500 on the season.

Hays, Kan. (Nov. 11) The Tigers faced their last opponent on a day when the temperatures hovered around freezing and rain, sleet and snow fell to the ground. The Tigers did not have much else to smile about as they lost another close one 17-14 to the eventual RMAC runner-up Eagles.

The Tigers opened up the game with a 12-yard Errol Bowen run to take a 7-0 lead into the second quarter. After a CSC score, a Jason Brown to Fred Shepherd touchdown pass pushed the Tigers out front 14-7 at halftime. That was all she wrote for FHSU as they failed to score the remainder of the game. Meanwhile, the Eagles notched a third-quarter field goal and a fourth-quarter touchdown to end the game and the season for the Tigers.

In a turn of events, it was FHSU which was held to only 30 yards rushing on 32 attempts. For only the second time all season, FHSU's opponent held possession of the football for longer than the Tigers.
